

QUALITY MANAGEMENT STATEMENT

November 2009

Quality is an integral part of Signal Project Limited. All activities carried out by us are controlled and monitored to ensure that the highest standards are maintained in order to meet, or exceed expectations, and conform to any and all relevant requirements of the people we work with, our participants and our clients.

We are committed to delivering all of our projects and other services to schedule and within budget, adhering to our project management procedures.

Quality assurance is demonstrated through references, reporting and open and honest feedback by our clients and ourselves. Any potential lapse in quality will be dealt with through preventative or corrective measures promptly.

Everyone at Signal shares the responsibility to provide highest possible quality in all the work we do, and to foster continual improvement.
