

signal

There is an increasing awareness that graffiti art projects are an effective method of reaching and engaging young people.

Signal is the only organisation in Britain dedicated solely to the provision and management of graffiti and urban art projects with social objectives.

Signal employs leading UK and overseas artists and works with many organisations from

developing large-scale mural projects to providing single workshops including:

- Consultancy & project management
- Police checked artists
- Police-checked youth and support workers
- Spray paint and all materials
- Safety masks and protective gear
- Reference and art materials
- Fume extractor fans and outdoor shelters
- Workshops with artists in different mediums
